Contents

- Watch "1984" movie directed by Michael Radford

Questions for Our Course, following up on Fromm Afterward

- Can the longing for freedom be extinguished, or does human nature push back, as a defiance to mind control?
- Does the severity of the methods used by the state prove the strength of what they suppress?
- Is history really written by the victors?. Is truth written by those in power?
- How does 1984 look different when seen through the lens of English Catastrophe?
