This is our land. A land of peace and of plenty. A land of harmony and hope. This is our land. Oceania. These are our people. The workers. The striver's. The builders. These are our people. The builders of our world, struggling, fighting, Bleeding, dying. On the streets of our cities and on the far-flung battlefields. Fighting against the mutilation of our hopes and dreams. *[Sounds of warfare]* Who are they? *[Audience chant]* Traitor! Traitor! Traitor! Traitor! They are the dark armies. The dark murdering armies of Eurasia. *[Sound of gunshots]* In the barren deserts of Africa and India. On the oceans of Australasia. Courage, strength and youth are sacrificed. Sacrificed to barbarians whose only honour is atrocity. *[Battle scream] [Battle scream again]* But even as we grasp at victory. There is a cancer, an evil tumour, growing, spreading in our midst. *[Sounds of explosions]* Shout! Shout! Shout out his name. *[Audience chant]* Goldstein! Goldstein! *[Audience begin chanting again] [Audience chant so loudly film cannot be heard] [Loud audience chant continues]*

I confess to spreading the rumour on orders from Goldstein that the war is not really with Eurasia, but with Eastasia. And that for years, in fact since the days of our glorious revolution, I had no faith in our future. I forged government announcements and falsified figures quoted for agricultural and industrial production. As a result of mental disturbance dating from my experiences in the atomic wars, I was a willing subject of Goldstein's influence. I was stubborn and egocentric. When own life thoughts occurred to me, I revelled in them. I went into the proletarian zones. I had sex with prostitutes. I deliberately contracted syphilis. It was at this time that I made contact with the Resistance. I was personally contacted by the arch-traitor Goldstein and ordered to assassinate Inner Party officials.

- Bugger!
- This I did.

My agents forged documents and gained entry to the Ministry of Truth… Thought crime is death. Thought crime does not entail death. Thought crime is death. I have committed, even before setting pen to paper, the essential crime that contains all others in itself. … encouraging my agents to deface party posters and announcements. I read and memorised Goldstein's book. For 30 years, I have plotted to bring down the Party. I was sick in mind and body. Together with my colleagues, Aaronson and Rutherford, I did counterfeit important Party documents, including ex-London permits and travel passes. And that by use of these documents my agents travelled freely throughout Airstrip One, encouraging insurrection and organising a huge counter plot to destroy the innermost faction of the Oceanian leadership. Furthermore, I used my position of privilege within the Inner Party to pervert and betray the truth at all times and to suggest, wherever possible, that our traditional allies in Eastasia were, in fact, our deadly enemies… April 4th 1984. I think.

[0:10:42 – 0:11:04]

To the past, or to the future, to an age when thought is free. From the age of Big Brother, from the age of the Thought Police… from a dead man, greetings.

[0:13:11 – 0:13:30]

- Morning Smith.
- Parsons.
- Heard the rumour?
- No. Good news is it?

I should say so yes. Choco rations going up.

- Really?
- 25g next week.

Double plus good, eh?

[0:13:36 – 0:14:20]

By the way Smith, I seem to have run out of razor blades for some reason. Er you wouldn't happen to have any spare would you? I'm sorry brother, I'm on the last one. In 1983 Oceania's coal output reached 630 million tons. In 1976, coal output was 605 million tons, an increase of 4. 1 per cent. 5.3 million tractors were produced, an increase of 17.6 per cent. I wanted to ask you if you've got any razor blades. I've tried all over the place. I've been using the same one for six weeks.

[0:14:24 – 0:14:31]

Did you see the prisoners hanged yesterday? No I was working. But I shall see it on the screens.

[0:14:40 – 0:14:47]

We'll pick up a gin on the way. I'll have two.

[0:15:02 – 0:16:46]

Give me a gin. 2 million .5 Victory recoil operated heavy machine guns, 6 million rifle grenades, 9 million Perry pineapple pin grenades and 1.4 million lightweight spigot-launching antitank rocket projectors. Food production is also up…

- How's the New speak Committee?
- Working overtime.

The plus big wastage is in adjectives. Plus big problem is timing the language to scientific advance. Yes. It's a beautiful thing, the destruction of words. You won't have seen the dictionary tenth edition yet Smith. It's that thick. The 11th edition will be that thick. So the revolution will be complete when the language is perfect? The secret is to move from translation to direct thought to automatic response.

- Language coming from here not here.
- Excuse me for intruding.

We shall be rid of Goldsteinism when the language has been cleaned. I couldn't be more in agreement with you brother. Absolutely Praise be to our leader and the Party workers. Other munitions production figures are as follows. 70,000 M-20 tank destroyers with 76 mm cannon… Smith. Syme.

[0:16:51 – 0:18:09]

It's encouraging thought that by 2050 not a single person could have a conversation like this.

- Except the proles.
- Proletariat don't count. They're animals.

Did you see the hanging? Missed it myself. Bloody committees! … heavy Victory rocket bombs. 35,000 Black Eagle 500cc motor bicycles. 300,000… Double plus good this. Do you know I don't think there is a single piece of meat in this stew. Looks like meat, tastes like meat. It isn't meat at all. Double plus good.

- Not like it Smith?
- Yes. It's too rich for me.

Do you mind if I? Brothers and sisters the battle for production has been won. Completed returns show that the standard of living has risen by 20 per cent over the last year. All over Oceania, spontaneous

demonstrations of Party workers Voicing their gratitude and joy. In honour of this massive over fulfilment of the ninth three year Plan. It has been announced that the chocolate ration is to be increased to 25g per week.

[0:18:18 – 0:18:32]

If there is hope, it lies in the proles. If they were conscious of their strength, they would have no need to conspire. History does not matter to them.

[0:18:42 – 0:19:02]

It was three years ago, on a dark evening, easy to slip the patrols and I'd gone into the proletarian areas. There was no one else in the street and no telescreens.

[0:19:07 – 0:19:32]

She said "Two dollars." So I went with her. She had a young face, painted very thick. It was really the paint that appealed to me, the whiteness of it like a mask, and the bright red lips.

[0:19:52 – 0:20:03]

There were no preliminaries. Standing there with the scent of dead insects and cheap perfume, I went ahead and did it just the same.

Rutherford Unperson, substitute Ogilvy. Ogilvy biog details as follows. War hero recently killed Malabar front. Today awarded posthumous Order of Conspicuous Merit 2nd class.

[0:21:29 – 0:22:23]

I accuse myself of sabotage, embezzlement of Party funds, sale of military secrets, of being in the pay of the government of Eurasia. Of being a sexual pervert and a thought criminal. I exploited my trusted position at the Ministry of Peace, to mislead our allies in Eastasia, and also to corrupt youth by means of seditious literature and drugs. I am guilty on all counts. I stand here a victim of the influence of Emmanuel… Under the spreading chestnut tree I sold you, you sold me. …and I ask only for you to accept my love of our leader.

[0:23:59 – 0:24:24]

Can I help you? Hmm. Anything special?

- I was here before.
- Ah.
- Razor blades.
- Ah-hah.
- You sold me the notebook.
- Yes. Yes.

Please look around.

[0:24:40 – 0:24:41]

Ah.

[0:24:49 – 0:25:02]

What's this? Oh it's a beautiful thing. Over a hundred years old. Cost you four dollars.

[0:25:20 – 0:25:28]

There's another room upstairs that you might like to see. Yes it's er, not much in it. Just a few things.

[0:26:02 – 0:26:08]

My woman's dead. I'm just trying to sell the furniture.

[0:26:12 – 0:26:17]

It's a beautiful bed, if you can get the bugs out of it.

[0:26:23 – 0:26:30]

[Sound of missile exploding] Interested in old prints at all?

[0:26:37 – 0:27:00]

The frame's fixed to the wall but I daresay you could unscrew it. How did this escape? I know what it is. It's the museum in the street outside the Palace of Justice. Oranges and lemons say the bells of St Clement's. What was that? Something old.

War is peace. Freedom is slavery. Ignorance is strength. A triumph of willpower over the orgasm. At a rally of the Anti-Sex League in Victory Square tonight held to celebrate a 50 per cent decrease in civil marriages. Over 10,000 Party women took a vow of celibacy and pledged themselves as vessels for the artificial… I hate her. I should kill her before she denounces me. - No it's nothing.

It's my arm. I'll be alright in a second. Brother could you?

[0:29:56 – 0:30:07]

- Are you alright?
- It's nothing.

I only gave my wrist a bit of a bang. Thank you brother.

[0:31:07 – 0:31:17]

Who is she? All I know is that she works in the Porno Section, probably on the proletarian novel writing machines.

[0:31:27 – 0:31:32]

- Mrs Parsons a spanner?
- Under the sink, beside you.

[0:31:42 – 0:31:44]

[Winston coughs]

[0:31:52 – 0:32:49]

Thank you brother. I wouldn't have had to bother you, but my husband's out late… committees. You know what us Parsons are like. You're a thought criminal. They haven't been out much. Thank you brother. Attention. Your attention please. A newsflash has this moment arrived from the Malabar front. The forces of Oceania in South India have won a glorious victory. I am authorised to say that the war against Eurasia is within measurable distance of its end. 40,000 Eurasian soldiers have been killed or captured. *[Sounds of excitement from crowd] [Crowd chanting]* Kill! Kill! Kill! Kill! Kill! Kill! *[Sound of gunshots]*

[0:33:00 – 0:33:03]

[Crowd chanting] Hate! Hate! Hate! Hate! Hate!

[0:33:08 – 0:33:19]

[More sounds of gunshots] [Crowd cheering]

[0:33:31 – 0:33:46]

Can you hear me? Yes

- Do you have an ex-London permit?
- Yes.

Can you get Sunday afternoon off?

- Yes.
- Take this.

[0:33:51 – 0:34:00]

It's quite precise. I rely on you to destroy it. Are you sure you can come? Yes.

[0:34:52 – 0:35:01]

Adult literacy amongst the proletariat has risen by 56 per cent. The proletarian infant mortality rate has dropped by 12 per cent. Incidences of leukaemia, tuberculosis and meningitis have dropped considerably. Improved diet has been responsible for a dramatic decrease in rickets. Eye diseases show a steep drop. So too do deaths from pneumonia and smallpox. The improvement in sewerage and drainage systems has resulted in better health overall. State rodent operatives report a 50 per cent reduction in the number of vermin in the central proletarian zones. I just want to finish by saying a few words about the impact of this imminent neurological breakthrough. When the orgasm has been finally eradicated, the last remaining obstacle to the psychological acceptance of the principles of Ingsoc, as applied to Artsem will be overcome. In other words the unorthodox tendencies towards own life, which constantly threaten the natural erosion of the family unit, will no longer have the biological support of the organism. As we all know the biological and social stimulation of the family leads to private reflection outside Party needs and to the establishment of unorthodox loyalties which can only lead to thought crime. The introduction of Artsem, combined with the neutralisation of the orgasm, will effectively render obsolete the family until it is impossible to conceptualise. Thank you.

[O'brien switches of telescreen] You can? Yes We're allowed that privilege. Some more of this? It is called wine.

[1:03:36 – 1:05:00]

There are thought criminals who maintain that the Resistance is not real. Believe me Winston, it is very real. Perhaps you are not familiar with how it operates. I'm attentive to the news. Indeed. Then perhaps

you imagine a huge network of conspirators, prepared to commit any atrocity to demoralise and weaken the order of our society. The reality is infinitely more subtle. If Goldstein himself fell into the hands of the Thought Police, he could not give them a list of his agents. Such a list does not exist. They are not an organisation in the sense we know. Nothing holds it together but an idea. There is no possibility of change in their lifetime. In the face of the Thought Police they cannot act collectively. Individually they cheat, forge, blackmail. Corrupt children spread disease and prostitution, in the name of spreading knowledge from generation to generation, until in a thousand years…

[1:05:52 – 1:07:58]

They have attacked an unarmed village with rocket bombs and murdered 4,000 defenceless, innocent and peaceful citizens of Oceania. This is no longer war. This is cold blooded murder. Until now, the war has been conducted with honour and bravery. With the ideals of truth and justice in the best traditions of mankind, until this moment. Brothers and sisters the endless catalogue of bestial atrocities which will ensue from this appalling act must, can and will be terminated. The forces of darkness and the treasonable maggots who collaborate must, can and will be wiped from the face of the earth. We must crush them. We must smash them. We must stamp them out! We the people of Oceania, and our traditional allies, the people of Eurasia will not rest until the final victory has been achieved. Death to the eternal enemy of Oceania. Death! Death! Death! *[Crowd cheering]* Brothers and sisters, one week from now in this very square. We shall as a demonstration of our resolve and as a sure sign to those who attempt to threaten our Party and our State. We shall execute publicly the same number of Eastasian prisoners by hanging, drawing and quartering. *[Crowd roaring]*

[1:08:44 – 1:09:33]

In accordance with the principles of Doublethink. It does not matter if the war is not real or when it is, that victory is not possible. The war is not meant to be won. It is meant to be continuous. The essential act of modern warfare is the destruction of the produce of human labour. A hierarchical society is only possible on the basis of poverty and ignorance. In principle the war effort is planned to keep society on the brink of starvation. The war is waged by the ruling group against its own subjects. Its object is not victory over Eurasia or Eastasia, but to keep the very structure of society intact.

[1:09:38 – 1:09:42]

Julia. Are you awake?

[1:09:59 – 1:10:10]

Julia. There is truth and there is untruth. To be in a minority of one doesn't make you mad.

[1:10:14 – 1:10:24]

Julia my love. I understand how. But I don't understand why.

[1:10:47 – 1:10:53]

I'm hungry. Let's make some more coffee.

[1:11:09 – 1:11:13]

[Neighbour sings in back garden] The water's cold.

[1:11:21 – 1:12:00]

There's no oil in it. That's strange. I thought it was full. NEIGHBOUR SINGING: ♪ They say that time heals all things ♫♪ They say you can always forget ♫♪ But the smiles and the tears across the years ♫♪ They twist my heartstrings… She's beautiful.

[1:12:06 – 1:12:13]

She's a metre across the hips, easily. It's her style of beauty

[1:12:17 – 1:12:19]

The future is hers.

[1:12:27 – 1:12:42]

We are the dead. We are the dead. TELESCREEN: You are the dead! TELESCREEN: Remain exactly where you are! Make no move until you are ordered.

[1:12:48 – 1:13:21]

Now they can see us. TELESCREEN: Now we can see you. TELESCREEN:Clasp your hands behind your heads. TELESCREEN: Stand out in the middle of the room. Stand back to back. TELESCREEN: Do not touch one another. The house is surrounded. TELESCREEN: The house is surrounded. I suppose we may as well say goodbye. TELESCREEN: You may as well say goodbye. TELESCREEN: While we're on the subject, here comes a candle to light you to bed. TELESCREEN: Here comes a chopper to chop off your head.

[1:13:59 – 1:14:02]

[Julia gasps]

[1:14:35 – 1:14:37]

Pick that up.

[1:14:52 – 1:14:54]

The Thought Police.

[1:15:32 – 1:15:35]

TELESCREEN: 6079 Smith! Open your eyes!

[1:15:45 – 1:15:48]

[Cell door opens]

[1:16:01 – 1:16:12]

Parsons? Keep away from me Smith. I'm an agent of Goldstein.

[1:16:17 – 1:16:28]

I didn't know it myself. Thought crime is so insidious. It just creeps up on you.

[1:16:36 – 1:16:49]

My daughter found it out. Very proud of her. Very grateful I've been discovered before it's too late.

[1:16:53 – 1:17:00]

They won't shoot me will they Smith? I could be very useful in a labour camp.

[1:17:09 – 1:17:50]

TELESCREEN: Room 101 *[Cell door opens]* No! Please! You don't have to take me there. Why? There's nothing I won't confess. Nothing. I've told you everything already. What is it you want me to know? Take him instead of me. He's the thought criminal. It's him you want.

[1:18:12 – 1:18:14]

[Cell door closes]

[1:18:24 – 1:18:27]

[Cell door opens]

[1:18:40 – 1:18:55]

- They got you too?
- They got me a long time ago.

You knew this would happen Winston. Don't deceive yourself. You've always known it.

[1:19:09 – 1:19:23]

[Winston whimpers] The photos of you and the girl will be recycled for proletarian use. *[Winston whimpers again]*

[1:19:55 – 1:20:21]

Do you know where you are Winston? I… I don't know. I can guess. In the Ministry of Love. Do you know how long you've been here? No. Weeks? Months? Do you know why you're here?

[1:20:25 – 1:21:01]

Shall I tell you why we brought you here? To cure you. To make you sane. Yes. *[Winston is being stretched]* No! No! No! That was 40. You can see that the numbers on this dial run up to 100. Will you please remember that I have it in my power to inflict pain on you at any time, and in whatever degree I choose? Yes.

[1:21:06 – 1:21:58]

You know perfectly well what is the matter with you, Winston. You've known it for years though you fought against the knowledge. You are mentally deranged. You suffer from a defective memory. You never tried to cure yourself because you did not choose to. It was a small effort of will which you were not ready to make. For example, which power is Oceania at war with? Eastasia. Oceania is at war with Eastasia. Eastasia? Good. And Oceania has always been at war with Eastasia, has it not? Tell me what you think you remember.

[1:22:03 – 1:22:38]

I remember that until only a week before I was arrested. We weren't at war with Eastasia at all. It was Eurasia.

- The last four years I think.
- Another example.

A serious delusion. Photographs about which you've had hallucinations, which you believed you held in your hand. They never existed.

[1:22:46 – 1:24:08]

Say what you're about to say Winston. They exist. In memory. I remember. You remember. I do not remember. Only the disciplined mind can see reality Winston. It needs an act of self destruction, an effort of the will. Do you remember writing in your diary. "Freedom is the freedom to say two plus two equals four"? Yes. How many fingers am I holding up? Four. And if the Party says there are not four but five, then how many? Five? *[Winston screams in pain]* No. That's no use. You're lying. How many fingers please? Four, what else can I say? Five, anything you like, only please stop it. Stop the pain.

[1:24:12 – 1:24:35]

How can I help it? How can I help what I see in front of my eyes? Two and two makes four. Sometimes, Winston, sometimes they're five. Sometimes they're three. Sometimes they are all of them at once.

[1:24:44 – 1:25:09]

Neither the past nor the present nor the future exists in its own right Winston. Reality is in the human mind, not in the individual mind. Which makes mistakes and soon perishes, but in the mind of the Party, which is collective and immortal.

[1:25:13 – 1:25:50]

Again. No. *[Winston's groans in pain again]* How many fingers Winston? Four… Four? I suppose there are four but I'm trying to see five.

- I wish I could.
- Which do you wish?

To persuade me that you can see five or really to see them? Really to see them. Again.

[1:25:58 – 1:26:01]

How many Winston?

[1:26:11 – 1:26:20]

I… I don't know… I don't know. Better.

[1:26:38 – 1:27:36]

No one escapes Winston. There are no martyrs here. All the confessions made here are true. We do not destroy the heretic because he resists us. As long as he resists us we never destroy him. We make him one of ourselves before we kill him. We make his brain perfect before we blow it out. And then, when there is nothing left but sorrow and love of Big Brother, we shall lift you clean out of history. We shall turn you into gas and pour you into the stratosphere. Nothing will remain of you. Not a name in a register, not a memory in a living brain. You will be annihilated in the past, as well as in the future. 3,000

[1:27:44 – 1:28:46]

This time it won't hurt you. Before we bring this session to an end, I want you to ask me your questions. I want you to clear your mind. Julia. She betrayed you Winston. Immediately. Unreservedly. All her rebellion, deceit, folly, dirty mindedness has been turned out of her. Does Big Brother exist? Of course. In the same way as me? You do not exist. You have not asked me the question that is uppermost in your mind Winston. You know what is in Room 101. Everyone knows what's in Room 101.

[1:28:50 – 1:28:54]

Now fix your eyes on mine.

[1:29:11 – 1:31:08]

What country is Oceania at war with? I… I don't remember. Oceania is at war with East Eastasia. Do you remember that now? Yes. How many fingers am I holding up? Five. You see at least that it is possible. You've understood the reality of the past and the present Winston. Now what of the future? Question. How does one man assert power over another?

- By making him suffer.
- Exactly.

Obedience is not enough. Power is inflicting pain and humiliation otherwise you cannot be sure. Power is tearing human minds apart and putting them together again in new shapes of your own choosing. Power is not a means, it is an end. In our world there will only be triumph and self-abasement. Everything else we shall destroy. The past is forbidden. Why. Because when we can cut man from his own past, then we can cut him from his family. His children, other men. There is no loyalty except loyalty to the Party. There is no love except love of Big Brother. All competing pleasures, we will destroy. If you want a vision of the future imagine a boot stamping on a human face forever.

[1:31:13 – 1:33:48]

Winston… You are thinking that my face is old and tired. That while I talk of power I am unable to prevent the decay of my own body. But the individual is only a cell Winston. The weariness of the cell is the vigour of the organism. You'll fail. Why? It's impossible. Hatred and fear have no life. Why is hate less vital than love? I don't know but somehow you'll fail. Something will defeat you.

- Life will defeat you.
- We control life at all levels.

We create human nature. Men are infinitely malleable. Or perhaps you will return to your old idea that the proletarians will arise. Put it out of your mind. They are helpless animals. Humanity is the party. I don't care, in the end they'll beat you. Sooner or later they'll tear you to pieces. On what evidence? Goldstein's book. I wrote it, or at least I collaborated in writing it. No book is individually produced as you know. I just believe it. I know you'll fail. There's something in this world, some spirit that you will never overcome. What is it, this principle? I don't know. The spirit of man. Do you consider yourself a man? Yes. If you're a man, you're the last man. Your kind is extinct. We are the inheritors. Do you understand that you're alone? You're outside history. You unexist. Get up.

[1:34:06 – 1:34:08]

Come here.

[1:34:25 – 1:34:30]

Look at you, you're rotting away.

[1:34:43 – 1:36:24]

That is the last man. If you're human, that is humanity. It won't last forever. You can escape from it whenever you choose. Everything depends on you. You did it. You reduced me to this. No Winston you reduced yourself to it. When will you shoot me? It might take a long time. But don't give up hope. Everyone is cured sooner or later, and in the end we shall shoot you. The law of gravity is nonsense. No such law exists. If I think I float and you think I float then it happens. I love you. You have the strength Winston. You have the whole party. You are the Party. You're one of us. One of the chosen. I love you. I love you too. *[Gunshot]* Julia. Julia my love. Julia. Julia! Julia! TELESCREEN: Get up

[1:36:30 – 1:36:35]

TELESCREEN: Stand up straighter. TELESCREEN: Look me in the face.

[1:36:39 – 1:37:02]

Tell me Winston and remember no lies. What are your true feelings towards Big Brother? I hate him. You must love him. It's not enough to obey him. You must love him. Room 101.

[1:37:28 – 1:37:46]

You asked me once Winston what was in Room 101? I told you that you knew already. Everyone knows. The thing that is in Room 101, is the worst thing in the world.

[1:37:57 – 1:38:13]

It goes beyond fear of pain or death. It is unendurable and it varies from individual to individual. It may be burial alive or castration. Or many other things.

[1:38:18 – 1:39:02]

In your case, it's rats No! *[Rats squealing]*

- Please, what do you want me to do?
- You will do what is required of you.

What, what? What. How can I do it if I don't know what it is? In the proletarian areas they will attack a baby and within five minutes strip it to the bone. They also attack the sick and dying. They show astonishing intelligence in knowing when a human being is helpless. *[Rats squeal again]*

[1:39:07 – 1:39:09]

Please!

[1:39:13 – 1:40:01]

The mask fits over your head leaving no exit. I press the first lever and the rats move into the front compartment. I press the second and the door of the cage will slide up. These starving brutes will shoot at you like bullets. Have you ever seen a rat leap through the air? *[Rats squeal]* They will leap onto your face and bore straight into it. Sometimes they attack the eyes first. Sometimes they burrow through the cheeks and devour the tongue. *[Winston whimpers]* Help, help me! What do you want?

[1:40:06 – 1:40:53]

Help me. No! No! *[Rats squeal]* I love you. Do it to her, do it to Julia. I don't care what you do to her. Tear her face off! do it to Julia not to me. Do it to Julia! Do it to Julia! Not me! A vast military build up has been reported in the Sahara desert. Sectors 17 and 18 of the war zone. That is the end of the announcement.

[1:41:32 – 1:41:34]

Brother.

[1:41:42 – 1:41:44]

On the house.

[1:41:51 – 1:42:30]

Thank you for coming. You are warned to stand by for an important announcement at 15.30 This is news of the gravest national consequence concerning the war with Eurasia. 15.30 I'm very worried about the African front. The news is disquieting in the extreme. I've been worrying about it all day. It's not just a question of losing Africa. For the first time the territory of Oceania itself is threatened by invasion. It's inconceivable.

[1:42:37 – 1:42:41]

It must have been possible to outflank them in some way.

[1:42:48 – 1:42:53]

I have an instinct. There's bad news on the way.

[1:42:59 – 1:43:17]

I told them all about you. I'm only thankful they got me before it was too late. Yes I told them about you too. Thought crime. Sex crime, all your treachery.

[1:43:26 – 1:43:28]

I have a meeting to go to.

[1:43:32 – 1:43:42]

We must meet again. Yes. We must meet again.

[1:43:59 – 1:45:01]

I accuse myself of the following crimes. I have seduced Party members of both sexes. I've been to the proletarian areas. I deliberately contracted syphilis in order to spread the disease to my wife and other Party members. Together with other agents, I have counterfeited banknotes. Wrecked industrial machinery, polluted the water supply and guided Eurasian rocket bombs to targets on Airstrip One by means of coded radio signals. I stand here a victim of the influence of Emmanuel Goldstein. Guilty on all counts. I'm glad I was caught. I was mentally deranged. Now I am cured. I ask only for you to accept my love of our leader. I ask only to be shot while my mind is still clean.

[1:45:11 – 1:45:46]

[Musical intro on telescreen] A glorious victory. A vast strategic manoeuvre to outflank the Eurasian forces on the African front has been successful. Perfectly coordinated, it has resulted in the utter rout of the Eurasian army. There have been nearly a million prisoners. It has been an utter rout, a complete… Waiter! This immense victory brings the war within measurable distance of its end. Wonderful news.

[1:46:43 – 1:46:45]

I love you.

[1:46:50 – 1:46:52]

[The end]
