How Screenplay Generated

This screenplay was generate by Google Gemini from the prompt: Convert the provided text from `The.Matrix.1999.iNTERNAL.DVDRip.x264-WaLMaRT.srt` *into a readable paragraph-style format, I have synthesized the dialogue blocks and grouped them by speaker with time stamps. I cross-referenced your provided text with the March 29, 1998 numbered shooting script by Larry and Andy Wachowski (hosted at DailyScript.com) to identify the speakers, fix recognition errors, and insert brief screen directions to bridge the action.*

Due to the extreme length of the full 2-hour transcript, it had to be done in chunks to avoid output limits of Gemini.

Gemini's response may have include quotes from the following sources:

- The Matrix Review on filmsite
- The Matrix Explained Simply (Full Plot & Ending Explained

Methodology Summary:

1. **Speaker Identification:** The raw SRT file lacks speaker names. I used the 1998 screenplay draft to accurately assign character names (Cypher, Trinity, Cops, Agent Smith, Morpheus) to each line.
2. **Action Lines:** Because standard subtitles only capture spoken dialogue, the narrative gaps (e.g., fights, chases) make reading difficult. I added bracketed action summaries based on the screenplay's scene descriptions.
3. **Paragraph Consolidation:** Consecutive timestamps from the same speaker (like the Cop at 00:01:53) were merged into single, fluid paragraphs.

Matrix Screenplay

Opening Sequence

00:00:47
CYPHER: Yeah. Is everything in place?
TRINITY: You weren't supposed to relieve me.
CYPHER: I know, but I felt like taking a shift. You like him, don 't you? You like watching him.
TRINITY: Don 't be ridiculous.
CYPHER: We're gonna kill him. You understand that?
TRINITY: Morpheus believes he is the One.
CYPHER: Do you?
TRINITY: It doesn't matter what I believe.
CYPHER: You don't, do you?
TRINITY: Did you hear that?
CYPHER: Hear what?
TRINITY: Are you sure this line is clean?
CYPHER: Yeah, of course I'm sure.
TRINITY: I better go.

[Action: Armed police officers creep down a dark hotel hallway toward Room 303. They kick down the door.]

00:01:53 COP: Freeze! Police! Hands on your head! Do it! Do it now!

[Action: Outside, Agent Smith, Agent Brown, and Agent Jones arrive in a black sedan. They approach the local police lieutenant.]

00:02:16
LIEUTENANT: Lieutenant. Oh, shit.
AGENT SMITH: Lieutenant, you were given specific orders.
LIEUTENANT: Hey. I'm just doing my job. You give me that "juris-my-dick-tion" crap, you can cram it up your ass.
AGENT SMITH: The orders were for your protection.
LIEUTENANT: I think we are going to handle one little girl. I sent two units! They're bringing her down now!
AGENT SMITH: No, Lieutenant, your men are already dead.

[Action: Inside the room, Trinity effortlessly defeats the squad of police officers in a burst of superhuman martial arts. She calls Morpheus.]

00:03:15
TRINITY: Shit. Morpheus, the line was traced. I don't know how.
MORPHEUS: I know. They cut the hard line. There's no time. You are going have to get to another exit.
TRINITY: Are there any agents?
MORPHEUS: Yes.
TRINITY: Goddamn it.
MORPHEUS: You have to focus, Trinity. There's a phone at Wells and Lake. You can make it.
TRINITY: All right.
MORPHEUS: Go.

[Action: Trinity leaps across rooftops, pursued by Agent Brown and more police. She barely escapes by diving into a telephone booth just as a garbage truck smashes into it, vanishing through the hardline.]

00:04:37
AGENT SMITH: That's impossible.

00:05:11
TRINITY: Get up, Trinity. Just get up. Get up.

[Action: The Agents survey the wreckage of the smashed telephone booth. Trinity is nowhere to be found.]

00:05:59
AGENT BROWN: She got out.
AGENT SMITH: It doesn't matter. The informant is real. We have the name of their next target. The name is Neo.
AGENT BROWN: We'll need a search running.
AGENT SMITH: It has already begun.

Neo's awakening, the club, and his morning at MetaCortex.

00:07:08
NEO: What? What the hell?

[Action: Neo wakes up at his computer desk to a strange message typing itself on his monitor: "Follow the white rabbit." A knock at the door startles him.]

00:07:37
NEO: Who is it?
CHOI: It's Choi.

[Action: Neo opens the door for Choi and his group of friends, including Dujour.]

00:07:53
CHOI: You're two hours late.
NEO: I know. It's her fault.
CHOI: You got the money?
NEO: Two grand.
CHOI: Hold on.

[Action: Neo retrieves a hollowed-out book and hands Choi a mini-disc in exchange for cash.]

00:08:19
CHOI: Hallelujah. You're my savior, man. My own personal Jesus Christ.
NEO: You get caught using that…
CHOI: Yeah. I know. This never happened. You don't exist.
NEO: Right.
CHOI: Something wrong, man? You look a little whiter than usual.
NEO: My computer, it… Ever have that feeling where you're not sure if you're awake or still dreaming?
CHOI: All the time. It's called mescaline. It's the only way to fly. It just sounds to me like you need to unplug, man. Get some R and R? What do you think, Dujour? Should we take him with us?
DUJOUR: Definitely.
NEO: No, I can't. I have work tomorrow.
DUJOUR: Come on. It'll be fun. I promise.

[Action: Neo notices a white rabbit tattoo on Dujour's shoulder.]

00:09:16
NEO: Yeah. Sure. I'll go.

[Action: Neo arrives at a dark, deafeningly loud industrial goth club. He stands awkwardly by a pillar until Trinity approaches him.]

00:09:46
TRINITY: Hello, Neo.
NEO: How do you know that name?
TRINITY: I know a lot about you.

NEO: Who are you?
TRINITY: My name is Trinity.
NEO: Trinity. The Trinity? That cracked the IRS D-base?
TRINITY: That was a long time ago.
NEO: Jesus.
TRINITY: What?
NEO: I just thought… you were a guy.
TRINITY: Most guys do.
NEO: That was you on my computer. How did you do that?
TRINITY: Right now, all I can tell you… is that you're in danger. I brought you here to warn you.
NEO: Of what?
TRINITY: They're watching you, Neo.
NEO: Who is?
TRINITY: Please just listen. I know why you're here, Neo. I know what you've been doing. I know why you hardly sleep… why you live alone and why, night after night… you sit at your computer. You're looking for him. I know, because I was once looking for the same thing. And when he found me… he told me I wasn't really looking for him… I was looking for an answer. It's the question that drives us, Neo. It's the question that brought you here. You know the question… just as I did.
NEO: What is the Matrix?
TRINITY: The answer is out there, Neo. It's looking for you. And it will find you… if you want it to.

[Action: The next morning, Neo's alarm blares. He wakes up late for work and rushes to his office at the MetaCortex software company.]

00:11:31
NEO: Oh, Shit. Oh, Shit, shit.

[Action: Neo stands reprimanded in the pristine office of his boss, Mr. Rhineheart.]

00:11:44
MR. RHINEHEART: You have a problem with authority, Mr. Anderson. You believe that you are special, that somehow the rules do not apply to you. Obviously, you are mistaken. This company is one of the top software companies in the world… because every single employee understands they are part of a whole. Thus, if an employee has a problem, the company has a problem. The time has come to make a choice, Mr. Anderson. Either you choose to be at your desk on time from this day forth… or you choose to find yourself another job. Do I make myself clear?
NEO: Yes, Mr. Rhineheart. Perfectly clear.

[Action: Neo returns to his drab cubicle. A FedEx delivery man walks up to his desk.]

00:12:33
DELIVERY MAN: Thomas Anderson?
NEO: Yeah, that's me.
DELIVERY MAN: Great. Have a nice day.

[Action: Neo opens the FedEx envelope to find a sleek Nokia cell phone inside. The moment it hits his hand, it rings.]

00:13:05
MORPHEUS: Hello, Neo. Do you know who this is?
NEO: Morpheus.
MORPHEUS: Yes. I've been looking for you. Neo. I don 't know if you're ready to see what I want to show you. But unfortunately, you and I have run out of time. They're coming for you Neo, and I don 't know what they're going to do.
NEO: Who's coming for me?
MORPHEUS: Stand up and see for yourself.

NEO: What? Right now?
MORPHEUS: Yes. Now. Do it slowly. The elevator.

[Action: Neo stands up and peaks over his cubicle. He sees Agent Smith, Agent Brown, and Agent Jones stepping out of the elevator with the police.]

00:13:41
NEO: Oh, shit! Yes. What the hell they want from me?
MORPHEUS: I don 't know. but If you don 't want to find out, I suggest you get out of there.
NEO: How?
MORPHEUS: I can guide you, but you must do exactly as I say. The cubicle across from you is empty.
NEO: But what if they…
MORPHEUS: Go. Now.

[Action: Neo drops to the floor and crawls to the empty cubicle.]

00:14:11
MORPHEUS: Stay here for just a moment. When I tell you, go to the end of the row… to the office at the end of the hall. Stay as low as you can. Go. Now.

[Action: Neo crawls through the maze of desks, successfully slipping into a corner office and locking the door.]

00:14:44
MORPHEUS: Good. Now, outside there is a scaffold.
NEO: How do you know all this?
MORPHEUS: We don 't have time Neo. To your left there's a window. Go to it. Open it. Take the scaffold to the roof.
NEO: No way! No way! This is crazy!
MORPHEUS: There are two ways out of this building. One is that scaffold. The other is in their custody. You take a chance either way. I leave it to you.

[Action: Neo climbs out onto the ledge, but looks down at the dizzying drop to the street.]

00:15:17
NEO: This is insane! Why is this happening to me? What'd I do? I'm nobody. I didn't do anything. I'm gonna die.

[Action: The wind howls. Neo loses his nerve. He drops his phone, watching it fall into the traffic far below.]

00:15:38
NEO: Shit! Oh, shit! I can't do this. Shit.

[Action: Neo climbs back inside and surrenders. He is taken to a sterile, bright interrogation room where Agent Smith is waiting with a thick dossier.]

00:17:07
AGENT SMITH: As you can see, we've had our eye on you for some time now, Mr. Anderson. It seems that you've been living… two lives. In one life, you're Thomas A. Anderson… program writer for a respectable software company. You have a social security number. You pay your taxes. And you… help your landlady carry out her garbage. The other life is lived in computers… where you go by the hacker alias "Neo"… and are guilty of virtually every computer crime we have a law for. One of these lives… has a future. And one of them does not.

00:18:00
AGENT SMITH: I'm going to be as forthcoming as I can be, Mr. Anderson. You're here… because we need your help. We know that you've been contacted by a certain… individual. A man who calls himself "Morpheus." Whatever you think you know about this man is irrelevant. He is considered by many authorities… to be the most dangerous man alive. My colleagues… believe that I am wasting my time with

you. But I believe you wish to do the right thing. We're willing to wipe the slate clean… give you a fresh start. Now, all we're asking in return is your cooperation… in bringing a known terrorist to justice.

00:18:58
NEO: Yeah. Well, that sounds like a really good deal. But I think I got a better one. How about… I give you the finger… and you give me my phone call.

00:19:15
AGENT SMITH: Mr. Anderson… you disappoint me.
NEO: You can't scare me with this gestapo crap. I know my rights. I want my phone call.
AGENT SMITH: Tell me, Mr. Anderson… what good is a phone call… if you're unable to speak?

[Action: Neo's mouth suddenly melts shut, sealing into smooth flesh. He backs into the corner in terror as Agents Brown and Jones pin him to the table. Agent Smith holds up a mechanical capsule containing a squirming, biomechanical bug.]

00:20:08
AGENT SMITH: You're going to help us, Mr. Anderson… whether you want to or not.

[Action: The bug burrows violently into Neo's navel. Neo bolts upright, waking up in his own bed, sweating and screaming, believing it was a nightmare. His phone rings.]

00:21:09
MORPHEUS: This line is tapped, so I must be brief. They got to you first, but they've underestimated how important you are. If they knew what I know… you would probably be dead.
NEO: What are you talking about? What…….What is happening to me?
MORPHEUS: You are the One, Neo. You see you may have spent the last few years… looking for me, but I've spent my entire life… looking for you. Now, do you still want to meet?
NEO: Yes.
MORPHEUS: Then go to the Adams Street bridge.

[Action: Neo stands in the pouring rain under the bridge. A black car pulls up. Trinity sits in the back with Switch, while Apoc drives.]

00:21:52
TRINITY: Get in.
NEO: What the hell is this?
TRINITY: It's necessary, Neo. For our protection.
NEO: From what?
TRINITY: From you.
SWITCH: Take off your shirt.
NEO: WHAT. Stop the car.
SWITCH: Listen to me, coppertop. We don't have time for 20 Questions. Right now, there's only one rule: Our way… or the highway.
NEO: Fine.
TRINITY: Please, Neo, you have to trust me.
NEO: Why?
TRINITY: Because you have been down there, Neo. You know that road. You know exactly where it ends. And I know that's not where you want to be.

[Action: Neo reluctantly unbuttons his shirt.]

00:23:05
TRINITY: Apoc, lights. Lie back. Lift up your shirt.
NEO: What's that thing?
TRINITY: We think You're bugged. Try and relax. Come on. Come on. It's on the move. Come on, you shit.
SWITCH: You're gonna lose it.
TRINITY: No, I'm not. Clear!

[Action: Trinity violently extracts the bloody metallic bug from Neo's stomach using a crude device. She throws it out the window where it shorts out in the rain.]

00:23:52
NEO: Jesus Christ! That thing is real.

[Action: The car pulls up to an abandoned hotel. Trinity leads Neo upstairs to a set of heavy wooden doors.]

00:24:26
TRINITY: This is it. Let me give you one piece of advice. Be honest. He knows more than you can imagine.

[Action: They enter a large room where Morpheus stands looking out a window. He turns to face Neo.]

00:24:48
MORPHEUS: At last. Welcome, Neo. As you no doubt have guessed… I am Morpheus. It's an honor to meet you.
NEO: No… the honor is mine.
MORPHEUS: Please, come. Sit.

[Action: Neo sits across from Morpheus in a cracked leather armchair.]

00:25:19
MORPHEUS: I imagine… that right now you're feeling a bit like Alice… tumbling down the rabbit hole?
NEO: You could say that.
MORPHEUS: I can see it in your eyes. You have the look of a man who accepts what he sees… because he's expecting to wake up. Ironically, this is not far from the truth. Do you believe in fate, Neo?
NEO: No.
MORPHEUS: Why not?
NEO: Because I don't like the idea that I'm not in control of my life.
MORPHEUS: I know exactly what you mean. Let me tell you why you're here. You're here because You know something. What you know, you can't explain. But you feel it. You felt it your entire life. Is there something's wrong with the world. You don't know what it is, but it's there. Like a splinter in your mind… driving you mad. It is this feeling that has brought you to me. Do you know what I'm talking about?
NEO: The Matrix?
MORPHEUS: Do you want to know… what it is? The Matrix is everywhere. It is all around us. Even now, in this very room. You can see it when you look out your window… or when you turn on your television. You can feel it when you go to work… when you go to church… when you pay your taxes. It is the world that has been pulled over your eyes… to blind you from the truth.
NEO: What truth?
MORPHEUS: That you are a slave, Neo. Like everyone else, you were born into bondage… born into a prison that you cannot smell or taste or touch. A prison… for your mind. Unfortunately, no one can be… told what the Matrix is. You have to see it for yourself.

[Action: Morpheus extends his hands. In his left hand is a blue pill; in his right is a red pill.]

00:27:51
MORPHEUS: This is your last chance. After this, there is no turning back. You take the blue pill… the story ends, you wake up in your bed and believe… whatever you want to believe. You take the red pill… you stay in Wonderland… and I show you how deep the rabbit hole goes. Remember… all I'm offering is the truth. Nothing more.

[Action: Neo swallows the red pill. Morpheus smiles, turns, and leads him into the adjacent room where the rest of the crew is waiting by a complex array of computers and medical equipment.]

00:28:37
MORPHEUS: Follow me. Apoc, are we on-line?
APOC: Almost.
MORPHEUS: Time is always against us. Please take a seat there.

[Action: Neo sits in a chair next to a large, cracked mirror. Trinity stands close by, attaching monitors to his chest.]

00:29:09
NEO: You did all this?
MORPHEUS: The pill you took is part of a trace program. It's designed to disrupts your Input-Output carrier signals, so we can pinpoint your location.
NEO: What does that mean?
CYPHER: It means buckle your seat belt, Dorothy… because Kansas… is going bye-bye.

[Action: Neo stares at the mirror. The glass heals itself, then suddenly liquefies, creeping up his fingers and arm. Panic sets in as the cold, silver substance rapidly envelops his entire body and plunges down his throat.]

00:30:05
NEO: Did you..
MORPHEUS: Have you ever had a dream, Neo, that you were so sure was real? What if you were unable to wake from that dream? How would you know the difference between the dream world… and the real world?
NEO: This can't be.
MORPHEUS: Be what? Be real?
TRINITY: It's going into replication. Apoc.
APOC: Still nothing.
NEO: It's cold. It's cold!
MORPHEUS: Tank, we are going to need a signal soon.
TRINITY: I got a fibrillation.
MORPHEUS: Apoc, location.
APOC: Targeting almost there.
TRINITY: He's going into arrest.
APOC: Lock. I got him!
MORPHEUS: Now, Tank, now!

[Action: Neo awakens gasping in a gelatinous, pink, slime-filled pod. He is hairless, and a massive cable is lodged in his throat. Plucking the cable out, he looks around to see billions of other pods stacked endlessly in a towering power plant. A terrifying, spider-like machine descends, grabs him by the neck, unplugs his spinal cable, and flushes him down a massive waste pipe into a dark underground pool. A giant mechanical claw drops from above, lifting his drowning body out of the water and onto the deck of a hovercraft.]

00:33:53
MORPHEUS: Welcome… to the real world.

[Action: Neo collapses. Sometime later, he rests in a dimly lit medical bed. Trinity and Morpheus stand over him.]

00:33:57
MORPHEUS: We've done it, Trinity. We found him.
TRINITY: I hope you're right.
MORPHEUS: I don't have to hope. I know it.
NEO: Am I dead?
MORPHEUS: Far from it.

[Action: Time passes. Neo's body is pierced with dozens of acupuncture-like needles connected to electrical diodes, violently stimulating his muscles.]

00:34:28
DOZER: He still needs a lot of work.
NEO: What are you doing?
MORPHEUS: Your muscles have atrophied. We're rebuilding them.
NEO: Why do my eyes hurt?

MORPHEUS: You've never used them before. Rest, Neo. The answers are coming.

[Action: Neo wakes up again, finally able to move. He unplugs himself from the medical monitors. Morpheus walks in.]

00:35:56
NEO: Morpheus, what's happened to me? What is this place?
MORPHEUS: More important than "what" is "when."
NEO: When?
MORPHEUS: You believe it's the year 1999… when in fact, it's closer to 2199. I can't tell you exactly what year it is… because we honestly don't know. There's nothing I can say that will explain it for you, Neo. Come with me. See for yourself.

[Action: Morpheus leads Neo out of the bay and through the dark, exposed-metal corridors of the hovercraft.]

00:36:21
MORPHEUS: This is my ship. The Nebuchadnezzar. It's a hovercraft. This is the main deck. This is the core… where we broadcast our pirate signal and hack into the Matrix. Most of my crew you already know. This is Apoc… Switch… and Cypher.
CYPHER: Hi.
MORPHEUS: The ones you don't know: Tank and his big brother, Dozer. The little one behind you is Mouse. You wanted to know what the Matrix is, Neo.?
TRINITY: Trinity.

[Action: Trinity helps Neo into a reclining broadcast chair. Tank sits at the operator's console nearby.]

00:37:36
TRINITY: Try to relax. This will feel a little weird.

[Action: Tank inserts a massive metallic spike into the port in the back of Neo's neck. Neo gasps as his consciousness is blasted into a blinding, infinite white void.]

00:37:55
MORPHEUS: This… is the Construct. It's our loading program. We can load anything, from clothing… to equipment… weapons… training simulations… anything we need.
NEO: Right now we're inside a computer program?
MORPHEUS: Is it really so hard to believe? Your clothes are different. The plugs in your arms and head are gone. Your hair has changed. Your appearance now is what we call "residual self-image." It is the mental projection of your digital self.
NEO: This isn't real?
MORPHEUS: What is "real"? How do you define "real"? If you're talking about what you can feel… what you can smell, what you can taste and see… then "real" is simply electrical signals interpreted by your brain.

[Action: Morpheus clicks a remote control, turning on a retro television set. It displays the bustling, modern city of 1999.]

00:38:55
MORPHEUS: This is the world that you know. The world as it was at the end of the 20th century. It exists now only as part of a neural-interactive simulation… that we call the Matrix. You've been living in a dream world, Neo. This is the world… as it exists today.

[Action: The white void vanishes. They are suddenly standing in a bleak, blackened wasteland underneath a scorched, storm-filled sky.]

00:39:33
MORPHEUS: Welcome to "the desert… of the real." We have only bits and pieces of information. But what we know for certain is that at some point in the early 21st century… all of mankind was united in celebration. We marveled at our own magnificence as we gave birth to AI.
NEO: AI [=Artificial Intelligence] You mean artificial intelligence.
MORPHEUS: A singular consciousness that spawned an entire race of machines. We don't know who

struck first, us or them. But we know that it was us that scorched the sky. At the time they were dependent on solar power… and it was believed that they would be unable to survive… without an energy sources as abundant as the sun. Throughout human history, we have been dependent on machines to survive. Fate, it seems, is not without a sense of irony. The human body generates more bioelectricity than a 120-volt battery. And over 25,000 BTUs of body heat. Combined with a form of fusion… the machines had found all the energy they would ever need.

[Action: The landscape shifts to reveal endless, towering agricultural fields, stretching out into the dark horizon. Millions of human beings are sealed inside glowing pods.]

00:40:58
MORPHEUS: There are fields, Neo. endless fields… where human beings are no longer born. We are grown. For the longest time, I wouldn't believe it. And then I saw the fields with my own eyes… watched them liquefy the dead… so they could be fed intravenously to the living. And standing there, facing the pure, horrifying precision… I came to realize the obviousness of the truth.
NEO: What is the Matrix?
MORPHEUS: Control. The Matrix is a computer-generated dream world… built to keep us under control… in order to change a human being… into this.

[Action: Morpheus holds up a simple copper-top battery.]

00:41:54
NEO: No. I don't believe it. It's not possible.
MORPHEUS: I didn't say it would be easy, Neo. I just said it would be the truth.
NEO: Stop! Let me out! Let me out! I want out!

[Action: Neo begins to hyperventilate wildly in the Construct. Back on the ship, his physical body thrashes and screams in the broadcast chair.]

00:42:12
TRINITY: Easy, Neo. Easy.
NEO: Get this thing out of me. Get this thing out of me! Don't touch me! Stay away from me! Stay away from me! I don't believe it. I don't believe it. I don't believe it.
CYPHER: He's gonna pop.
MORPHEUS: Breathe, Neo. Just breathe.

[Action: Neo vomits onto the deck plates and passes out. He wakes up later in his quiet bunk on the hovercraft, staring at the ceiling. Morpheus is sitting nearby.]

00:42:48
NEO: I can't go back, can I?
MORPHEUS: No. But if you could… would you really want to? I feel I owe you an apology. We have a rule. We never free a mind once it's reached a certain age. It's dangerous. The mind has trouble letting go. I've seen it before, and I'm sorry. I did what I did because… I had to. When the Matrix was first built, there was a man born inside… who had the ability to change whatever he wanted… to remake the Matrix as he saw fit. It was he who freed the first of us… taught us the truth. As long as the Matrix exists… the human race will never be free. After he died… the Oracle prophesied his return… and that his coming would hail the destruction of the Matrix… end the war… bring freedom to our people. That is why there are those of us who has spent our entire lives searching the Matrix… looking for him. I did what I did because… I believe that search is over. Get some rest. You're going to need it.
NEO: For what?
MORPHEUS: Your training.

The training simulations (Jujitsu, the Sparring Program, and the Jump Program)

00:44:55
TANK: Morning. Did you sleep? You will tonight. I guarantee it. I'm Tank. I'll be your operator.

NEO: You don't have any…
TANK: Holes? Nope. Me and my brother, Dozer, we are both 100% pure, old-fashioned, homegrown human. Born free right here… in the real world. Genuine child of Zion.
NEO: Zion?
TANK: If the war was over tomorrow… Zion's where the party would be.
NEO: It's a city?
TANK: The last human city. The only place we have left.
NEO: Where is it?
TANK: Deep underground… near the Earth's core, where it's still warm. You live long enough, you might even see it. Goddamn! I gotta tell you, I'm really excited to see what you're capable of… if Morpheus is right and all. We're not supposed to talk about this, but… if you are… it's a very exciting time. We got a lot to do. We gotta get to it. We're supposed to start with these operation programs first. That's major boring shit. Let's do something little more fun. How about… combat training?

[Action: Tank slides a cartridge into the console. Neo sits in the broadcast chair, a plug driven into his neck.]

00:46:19
NEO: "Jujitsu"? I'm going to learn jujitsu?

[Action: Neo's body twitches rapidly as data floods his brain. His eyes fly open.]

00:46:34
NEO: Holy shit!
TANK: "Hey, Mikey, I think he likes it." How about some more?
NEO: Hell, yes. Hell, yeah.

[Action: Hours pass. Neo is still plugged in, vibrating with continuous data uploads.]

00:46:55
MORPHEUS: How is he?
TANK: Ten hours straight. He's a machine.
NEO: I know kung fu.
MORPHEUS: Show me.

[Action: Morpheus and Neo are loaded into a sparse, traditional Japanese dojo simulation.]

00:47:15
MORPHEUS: This is a sparring program… similar to the programmed reality of the Matrix. It has the same basic rules. Rules like gravity. What you must learn is that these rules are no different than the rules of a computer system. Some of them can be bent. Others can be broken. Understand? Then hit me, if you can.

[Action: They bow. Neo attacks aggressively, but Morpheus effortlessly blocks every strike and knocks Neo to the mat.]

00:48:13
MORPHEUS: Good! Adaptation. Improvisation. But your weakness… is not your technique.

[Action: Back on the hovercraft, Mouse notices the screens and calls the rest of the crew over.]

00:48:27
MOUSE: Morpheus is fighting Neo.

[Action: In the dojo, the fight resumes. Neo attacks again, but Morpheus easily dominates him, sweeping his legs and putting a fist inches from his face.]

00:49:38
NEO: How did I beat you?
MORPHEUS: You're too fast. Do you believe that… my being stronger or faster… has anything to do with my muscles in this place? You think that's air you're breathing now.

[Action: Neo pants heavily while Morpheus breathes effortlessly. Morpheus gestures for him to stand.]

00:50:14
MORPHEUS: Again!

[Action: Neo attacks with blistering, superhuman speed.]

00:50:26
MOUSE: Jesus Christ, he's fast!
TANK: Take a look. His neuro-kinetics are way above normal.

[Action: Despite his speed, Neo still cannot land a clean hit on Morpheus in the simulation.]

00:50:36
MORPHEUS: What are you waiting for? You're faster than this. Don't think you are. Know you are. Come on! Stop trying to hit me, and hit me!

[Action: Neo's strikes blur. He finally breaks through Morpheus' defenses, pushing the mentor back.]

00:51:08
MOUSE: I don't believe it.
NEO: I know what you're trying to do.
MORPHEUS: I'm trying to free your mind, Neo. But I can only show you the door. You are the one that have to walk through it. Tank, load the jump program.

[Action: The dojo vanishes. Neo and Morpheus are suddenly standing on the roof of a towering skyscraper, the city stretching out below them.]

00:51:37
MORPHEUS: You have to let it all go, Neo. Fear… doubt and disbelief. Free your mind.

[Action: Morpheus sprints toward the edge of the building and leaps an impossible distance, soaring over the city street and landing gracefully on the adjacent skyscraper.]

00:52:01
NEO: Okey-dokey. Free my mind.

[Action: On the ship, the crew watches the monitors with bated breath.]

00:52:06
MOUSE: What if he makes it?
APOC: No one's ever made their first jump.
MOUSE: That I know. I Know. But what if he does?
APOC: He won't.

[Action: In the simulation, Neo shakes out his arms and prepares to run.]

00:52:15
NEO: Come on. All right. No problem. Free my mind. Free my mind. No problem. Right.

[Action: Neo sprints and leaps into the air. Halfway across the gap, he looks down, loses momentum, and plunges screaming toward the street. The ground ripples as he impacts, bouncing up on a virtual safety line.]

00:52:41
NEO: What does that mean?
MORPHEUS: It doesn't mean anything. Everybody falls the first time. Right, Trin?

[Action: Neo snaps awake in the broadcast chair on the ship. He leans over, coughing and spitting up blood.]

00:53:09
NEO: I thought it wasn't real.
MORPHEUS: Your mind makes it real.

NEO: If you're killed in the Matrix… you die here?
MORPHEUS: The body cannot live without the mind.

Sequence with Cypher and the Woman in the Red Dress simulation?

[Action: On the hovercraft, Cypher brings Neo a tray of food, then speaks quietly with Trinity about him.]

00:53:51
CYPHER: I don't remember you ever bringing me dinner. There is something about him, isn't there? Don't tell me you're a believer now?
TRINITY: I just keep wondering… if Morpheus is so sure, why he isn't taking him to see the Oracle?
CYPHER: Morpheus will take him when he's ready.

[Action: Neo is plugged back into the Construct. He and Morpheus walk through a crowded, bustling city street simulation.]

00:54:21
MORPHEUS: The Matrix is a system, Neo. That system is our enemy. But when you're inside, You look around, what do you see? Businessmen, teachers, lawyers, carpenters. The very minds of the people we are trying to save. But until we do, these people are still a part of that system… and that makes them our enemy. You have to understand… most of these people are not ready to be unplugged. And many of them are so inert… so hopelessly dependent on the system… that they will fight to protect it. Were you listening to me Neo or were you looking at the woman in the red dress?
NEO: I was…..
MORPHEUS: Look again.

[Action: Neo turns around. The woman in the red dress has transformed into Agent Smith, who is pointing a gun squarely at Neo's face.]

00:55:00
MORPHEUS: Freeze it.
NEO: This isn't the Matrix?
MORPHEUS: No. It's another training program designed to teach you one thing: If you are not one of us, you are one of them.
NEO: What are they?
MORPHEUS: Sentient programs. They can move in and out of any software still hardwired to their system. That means that anyone we haven't unplugged… is potentially an agent. Inside the Matrix… they are everyone… and they are no one. We are survived by hiding from them by running from them… but they are the gatekeepers. They're guarding all the doors. They are holding all the keys, which means that Sooner or later, someone is going to have to fight them.
NEO: Someone?
MORPHEUS: I won't lie to you, Neo. Every single man or woman who has stood their ground. Everyone who has fought an agent has died. But where they have failed, you will succeed.
NEO: Why?
MORPHEUS: I've seen an agent punch through a concrete wall. Men have emptied entire clips at them and hit nothing but air. Yet their strength and their speed are still based in a world it is built on rules. Because of that… they will never be as strong or as fast as you can be.
NEO: What are you trying to tell me? That I can dodge bullets?
MORPHEUS: No, Neo. I'm trying to tell you that when you're ready… you won't have to.

[Action: Alarms suddenly blare on the Nebuchadnezzar. Neo is unplugged.]

00:56:36
DOZER: We got trouble.
MORPHEUS: Did Zion send the warning?
DOZER: No, another ship.
CYPHER: Shit. Squiddy's sweeping in quick.
NEO: Squiddy?

TRINITY: A sentinel. A killing machine designed for one thing. Search and destroy.
MORPHEUS: Set her down right over there.

[Action: The hovercraft powers down and lands on the floor of a dark, cavernous tunnel.]

00:57:33
MORPHEUS: How are we doing, Tank?
TANK: Power off-line. EMP armed… and ready.
NEO: EMP?
TRINITY: Electromagnetic pulse. Disables any electrical system in the blast radius. It's the only weapon we have against the machines.
NEO: Where are we?
TRINITY: Their old service and waste systems.
NEO: Sewers.
MORPHEUS: There used to be cities that spanned hundreds of miles. Now these sewers are all that's left of them. Quiet.

[Action: A terrifying, multi-tentacled Sentinel drifts past the ship in the darkness and moves on. Later, Neo startles Cypher, who is staring at the green, cascading code of the Matrix on a bank of monitors.]

00:58:55
CYPHER: You scared the bejesus out of me.
NEO: Sorry.
CYPHER: It's okay.
NEO: Is that..?
CYPHER: The Matrix. YEAH.
NEO: Do you always look at it encoded?
CYPHER: Well, you have to. The image translators work for the construct program. But there's way too much information to decode the Matrix. You get used to it. I don't even see the code. All I see is blonde, brunette, redhead. Do you… want a drink?
NEO: Sure.
CYPHER: You know… I know what you're thinking. Because right now I'm thinking the same thing. Actually, I've been thinking it ever since I got here. Why, oh, why didn't I take the blue pill? Good shit, huh? Dozer makes it. It's good for two things: Degreasing engines and killing brain cells.
NEO: So can I ask you something? Did he tell you why he did it? Why you're here?
CYPHER: Jesus! What a mind job. So you're here to save the world. What do you say to something like that? A little piece of advice. You see an agent… you do what we do: Run. You run your ass off.
NEO: Thanks for the drink.
CYPHER: Sweet dreams.

[Action: Cypher has secretly entered the Matrix. He sits across from Agent Smith in an elegant restaurant, cutting into a thick piece of meat.]

01:01:09
AGENT SMITH: Do we have a deal, Mr. Reagan?
CYPHER: You know… I know this steak doesn't exist. I know that when I put it in my mouth… the Matrix is telling my brain that it is… juicy… and delicious. After nine years… you know what I realize? Ignorance is bliss.
AGENT SMITH: Then we have a deal.
CYPHER: I don't want to remember nothing. Nothing. You understand? And I want to be rich. You know, someone important. Like an actor.
AGENT SMITH: Whatever you want, Mr. Reagan.
CYPHER: Okay. You get my body back in a power plant… reinsert me into the Matrix… I'll get you what you want.
AGENT SMITH: Access codes to the Zion mainframe.
CYPHER: No. I told you, I don't know them. I can get you the man who does. Morpheus.

[Action: Back on the ship, the crew sits in the mess hall eating a runny, pale gruel from metal bowls.]

01:02:44
MOUSE: Here you go, buddy. Breakfast of champions. If you close your eyes, it almost feels like you're eating runny eggs.
APOC: Yeah. Or a bowl of snot.
MOUSE: You know what it really reminds me of? Tastee Wheat. Did you ever eat Tastee Wheat?
SWITCH: No, but technically, neither did you.
MOUSE: That's exactly my point. Exactly. Because you have to wonder… how do the machines really know what Tastee Wheat tasted like. Huh! Maybe they got it wrong. Maybe what I think Tastee Wheat tasted like actually tasted like… oatmeal or tuna fish. That makes you wonder about a lot of things. You take chicken, for example. Maybe they couldn't figure out what to make chicken taste like… which is why chicken tastes like everything. And maybe they…
APOC: Shut up Mouse.
DOZER: It's a single-celled protein… combined with synthetic aminos, vitamins and minerals. Everything the body needs.
MOUSE: It doesn't have everything the body needs. So, I understand that you've run through the agent training program. You know, I wrote that program.
APOC: Here it comes.
MOUSE: What did you think of her?
NEO: Of who?
MOUSE: The woman in the red dress. I designed her. She doesn't talk very much… but if you'd like to meet her, I can arrange a much more personal milieu.
SWITCH: The digital pimp hard at work.
MOUSE: Pay no attention to these hypocrites, Neo. To deny our own impulses… is to deny the very thing that makes us human.
MORPHEUS: Dozer, when you're done… bring the ship up to broadcast depth. We're going in. I'm taking Neo to see her.
NEO: See who?
MORPHEUS: The Oracle.

The Oracle and the Déjà Vu Glitch

01:04:29
TANK: Everyone, please observe… the "fasten seat belt" and "no smoking" signs are being turned on. Sit back and enjoy your flight.

[Action: Tank loads the crew into the Matrix.]

01:05:00
MORPHEUS: We're in. We'll be back in an hour.

[Action: In the Matrix, Morpheus, Trinity, and Neo are driving through the city. Neo looks out the window, mesmerized by the familiar streets.]

01:05:32
NEO: Unbelievable… isn't it? God!
TRINITY: What?
NEO: I used to eat there. Really good noodles. I have these memories from my life. None of them happened. What does that mean?
TRINITY: That the Matrix cannot tell you who you are.
NEO: But an oracle can?
TRINITY: That's different.
NEO: Did you go to her?
TRINITY: Yes.
NEO: What did she tell you?
TRINITY: She told me…

NEO: What?
MORPHEUS: We're here. Neo. Come with me.

[Action: Morpheus and Neo enter a gritty apartment building and ride the elevator.]

01:06:48
NEO: So is this the same oracle that made the….. prophecy?
MORPHEUS: Yes. She's very old. She's been with us since the beginning.
NEO: The beginning?
MORPHEUS: Of the Resistance.
NEO: And she knows what? Everything?
MORPHEUS: She would say she knows enough. And she's never wrong. Try not to think of it in terms of right and wrong. She is a guide, Neo. She can help you to find the path.
NEO: She helped you? What did she tell you?
MORPHEUS: That I would find the One.

[Action: They stop outside an apartment door.]

01:07:42
MORPHEUS: I told you I can only show you the door. You have to walk through it.

[Action: Neo reaches for the knob, but the door opens from the inside. A Priestess stands there.]

01:07:50
PRIESTESS: Hello, Neo. You're right on time. Make yourself at home, Morpheus. Neo, come with me.

[Action: The Priestess leads Neo into a living room filled with children performing seemingly impossible feats of telekinesis.]

01:08:09
PRIESTESS: These are the other Potentials. You can wait here.

[Action: Neo watches a young boy bending a spoon with his mind.]

01:08:52
SPOON BOY: Do not try and bend the spoon. That's impossible. Instead, only try to realize the truth.
NEO: What truth?
SPOON BOY: There is no spoon.
NEO: There is no spoon?
SPOON BOY: Then you'll see that it is not the spoon that bends. It is only yourself.

[Action: The Priestess returns.]

01:09:29
PRIESTESS: The Oracle will see you now.

[Action: Neo enters the kitchen. A warm, older woman is baking cookies.]

01:09:40
ORACLE: I know you're Neo. Be right with you.
NEO: You're the Oracle?
ORACLE: Bingo. Not quite what you were expecting, right? Almost done. Smell good, don't they? I'd ask you to sit down… but you're not going to anyway. And don't worry about the vase.
NEO: What vase?

[Action: Neo turns around and accidentally knocks over a vase, shattering it on the floor.]

01:10:12
ORACLE: That vase.
NEO: I'm sorry.
ORACLE: I said, don't worry about it. I'll get one of my kids to fix it.
NEO: How did you know?

ORACLE: What's really going to bake your noodle later on is… would you still have broken it if I hadn't said anything? You're cuter than I thought. I can see why she likes you.
NEO: Who?
ORACLE: Not too bright, though. You know why Morpheus brought you to see me. So… what do you think? Do you think you are the One?
NEO: Honestly. I don't know.

[Action: The Oracle points to a wooden sign above the door.]

01:11:08
ORACLE: You know what that means? It's Latin. Means, "Know thyself." I'll let you in on a little secret. Being the One is just like being in love. No one can tell you you're in love. You just know it… through and through. Balls to bones. Well… I'd better have a look at you. Open your mouth. Say, "Ah."

[Action: She examines his mouth and eyes closely.]

01:11:53
ORACLE: Okay… Now I'm supposed to say, "Hmm, that's interesting, but…"
NEO: Then you say: But what?
ORACLE: But you already know what I'm going to tell you.
NEO: I'm not the One.
ORACLE: Sorry, kid. You got the gift… but it looks like you're waiting for something.
NEO: What?
ORACLE: Your next life, maybe. Who knows? That's the way these things go.

[Action: Neo chuckles.]

01:12:30
ORACLE: What's funny?
NEO: Morpheus. He almost had me convinced.
ORACLE: I know. Poor Morpheus. Without him, we're lost.
NEO: What do you mean, "without him"?
ORACLE: Are you sure you want to hear this? Morpheus believes in you, Neo. And no one, not you, not even me… can convince him otherwise. He believes it so blindly… that he's going to sacrifice his life to save yours.
NEO: What?
ORACLE: You're going to have to make a choice. In the one hand, you'll have Morpheus' life. And in the other hand, you'll have your own. One of you is going to die. Which one will be up to you. I'm sorry, kiddo. I really am. You have a good soul. And I hate giving good people bad news. Don't worry about it. As soon as you step outside that door… you'll start feeling better. You'll remember you don't believe in any of this fate crap. You're in control of your own life. Remember? Here… take a cookie. I promise, by the time you're done eating it… you'll feel right as rain.

[Action: Neo walks back out into the hallway, where Morpheus is waiting.]

01:14:25
MORPHEUS: What was said… was for you… and for you alone.

[Action: The crew makes their way down the stairs of the dilapidated building. Back on the ship, Tank notices unusual code activity.]

01:14:52
TANK: They're on the way.

[Action: In the Matrix, Neo pauses as he spots a black cat walking past a doorway.]

01:15:22
NEO: What is that?

[Action: A second, identical black cat walks past in the exact same manner.]

01:15:37
NEO: Oh, déjà vu.
TRINITY: What did you just say?
NEO: Nothing. Just said a little déjà vu.
TRINITY: What did you see? What happened?
NEO: A black cat went past us… and then another that look just like it.
TRINITY: How much like it. Was it the same cat?
NEO: Might it be. I'm not sure.
TRINITY: Switch, Apoc.
NEO: What is it?
TRINITY: A déjà vu is usually a glitch in the Matrix. It happened when they change something.
TANK: Oh, my God.
MORPHEUS: Let's go.

[Action: Back on the ship, Mouse realizes the building is surrounded by armed tactical police.]

01:16:18
MOUSE: They cut the hard line. It's a trap! Get out!

[Action: Mouse grabs two heavy automatic shotguns but is overwhelmed and killed by the police breaching the room. The rest of the crew stops on the staircase, realizing the windows have vanished and turned into solid brick.]

01:17:04
MORPHEUS: Ah! That's what they changed. We're trapped. There is no way out.

The Ambush and Cypher's Betrayal

01:17:07
MORPHEUS: Be calm. Give me your phone.
TRINITY: They'll be able to track it.
MORPHEUS: We have no choice. Operator. Tank.
TANK (V.O.): Find a structural drawing of this building. Find it fast.
MORPHEUS: Got it! *[Note: The provided transcript jumbles this exchange slightly; Tank finds the drawing.]*
MORPHEUS: I need the main wet-wall.
TANK (V.O.): Eighth floor.
MORPHEUS: They're on the eighth floor. Switch, straight ahead.

[Action: The crew crawls inside the plumbing wet-wall of the dilapidated building, inching their way down. Cypher slips, making a loud noise.]

01:17:43
CYPHER: I hope the Oracle gave you some good news.
TANK (V.O.): Now left. That's it. Good.

[Action: Flashlights pierce the darkness. Heavily armed SWAT cops are waiting in the walls.]

01:18:05
COP 1: Where are they?
COP 2: They're in the walls. In the walls!

[Action: The cops open fire, obliterating the drywall. Neo spots someone grabbing a cop through the wall and taking over their body.]

01:19:29
NEO: It's an agent!
MORPHEUS: Trinity. You must get Neo out! He's all that matters!

NEO: No. No, Morpheus! Don't!
MORPHEUS: Trinity, go! Go!

[Action: Morpheus bursts through the drywall, launching himself at Agent Smith so the others can escape.]

01:19:52
TRINITY: We can't leave him!
CYPHER: We have to! Come on!

[Action: Morpheus and Agent Smith face off in a grimy, flooded bathroom.]

01:20:23
AGENT SMITH: The great Morpheus. We meet at last.
MORPHEUS: And you are?
AGENT SMITH: A Smith. Agent Smith.
MORPHEUS: You all look the same to me.

[Action: Morpheus fights fiercely, but Agent Smith's superhuman strength prevails. Smith beats Morpheus mercilessly and pins him. Agents Brown and Jones arrive with SWAT officers.]

01:21:21
AGENT SMITH: Take him.
MORPHEUS: No.

[Action: The crew scatters. Cypher splits off from the group and deliberately orchestrates a trap, tricking Tank into thinking he was in a car accident.]

01:21:35
CYPHER: Operator.
TANK (V.O.): Yeah.
CYPHER: I need an exit, fast. There was an accident. Goddamn….car accident. All of a sudden, boom. Somebody up there still likes me.
TANK (V.O.): I got you.
CYPHER: Just get me out of here fast.
TANK (V.O.): Nearest exit, Franklin and Erie. An old TV repair shop.
CYPHER: Right.

[Action: Cypher reaches the TV repair shop and vanishes through the hardline phone. Meanwhile, Trinity calls Tank from an alleyway.]

01:21:56
TRINITY: Operator.
TANK (V.O.): Tank, it's me.
TRINITY: Is Morpheus alive? Is Morpheus alive, Tank?
TANK (V.O.): Yes. They're moving him. I don 't know where to, Yet.
TRINITY: He's alive. We need an exit.
TANK (V.O.): You're not far from Cypher.
TRINITY: Cypher?
TANK (V.O.): I know. I sent him to Franklin and Erie.
TRINITY: Got it.

[Action: On the hovercraft, Cypher's body wakes up in the broadcast chair.]

01:22:19
TANK: Got him. Where are they?
CYPHER: Making the call.
TANK: Good.

[Action: Cypher walks behind Tank and retrieves a heavy plasma rifle. Inside the Matrix, Trinity, Neo, Switch, and Apoc arrive at the TV repair shop. The phone rings.]

01:22:48
TRINITY: You first Neo.
NEO: Shit!
TANK (V.O.): Tank… [SCREAMING] No……

[Action: Cypher blasts Tank in the back. Dozer charges him, but Cypher shoots and kills Dozer as well. In the Matrix, the phone line goes dead.]

01:23:01
TRINITY: I don't know. It just went dead.

[Action: Cypher puts on a headset to communicate with the crew still trapped in the Matrix.]

01:23:29
CYPHER: Hello, Trinity.
TRINITY: Cypher? Where's Tank?
CYPHER: You know… for a long time… I thought I was in love with you. I used to dream about you. You're a beautiful woman, Trinity. Too bad things had to turn out this way.
TRINITY: You killed them. What? Oh, God.
CYPHER: I'm tired, Trinity. I'm tired of this war… tired of fighting. I'm tired of this ship… of being cold, of eating the same goddamn goop every day. But most of all… I'm tired of that jackoff and all of his bullshit.

[Action: Cypher walks over to Morpheus' unconscious real-world body and leans in.]

01:24:19
CYPHER: Surprise, asshole! I bet you never saw this coming… did you? God, I wish I could be there… when they break you. I wish I could walk in just when it happens… so right then… you'd know it was me.
TRINITY: You gave them Morpheus.
CYPHER: He lied to us, Trinity. He tricked us! If you would told us the truth… we would've told you to shove that red pill right up your ass!
TRINITY: That is not true, Cypher. He set us free.
CYPHER: "Free." You call this free? All I do is what he tells me to do. If I had to choose between that and the Matrix… I choose the Matrix.
TRINITY: The Matrix isn't real.
CYPHER: I disagree, Trinity. I think the Matrix… can be more real than this world. All I do is pull the plug here. But there… you have to watch Apoc die.
APOC: Trinity. No.

[Action: Cypher violently pulls the cable from the back of Apoc's head. Inside the Matrix, Apoc drops dead to the floor.]

01:25:32
CYPHER: Welcome to the real world. Huh! baby.
TRINITY: But you're out. Cypher. You can 't go back.
CYPHER: Oh! No, That's what you think. They are going to reinsert my body. I go back to sleep and When I wake up, I won't remember a goddamn thing. By the way… if you have anything terribly important to say to Switch… I suggest you say it now.
TRINITY: No, please don't. Not like this. Not like this.
CYPHER: Too late.

[Action: Cypher unplugs Switch. She instantly dies next to Apoc.]

01:26:00
TRINITY: Goddamn you, Cypher!
CYPHER: Don't hate me, Trinity. I'm just a messenger. And right now, I'm going to prove it to you. If Morpheus was right… and there's no way I can pull this plug. I mean If Neo's the One… then there'd have to be some kind of a miracle to stop me. Right? I mean, how can he be the One if he's dead? You never did answer me before… if you bought into Morpheus ' bullshit. Come on. All I want is a little yes or no. Look into his eyes… those big, pretty eyes… and tell me… yes… or no.

TRINITY: Yes.
CYPHER: No. I don't believe it.

[Action: Cypher reaches for Neo's plug, but suddenly a severely burned and bleeding Tank rises from the floor behind him, hoisting the plasma rifle.]

01:26:53
TANK: Believe it or not, you piece of shit, you're still going to burn!

[Action: Tank blasts Cypher, sending him flying across the room, dead. Tank staggers to the console.]

01:27:15
TANK: You first.
TRINITY: You're hurt.
TANK: I'll be all right.
TRINITY: Dozer?

[Action: Tank closes his eyes in grief. Dozer is dead. Neo and Trinity materialize in the real world, waking up in their chairs.]

The Interrogation and the Rescue Plan

[Action: Inside a high-rise military-controlled building in the Matrix, Morpheus is handcuffed to a chair. Agent Smith stands by the window, looking out over the city.]

01:27:48
AGENT SMITH: Have you ever stood and stared at it? Marveled at its beauty… its genius? Billions of people… just living out their lives. Oblivious. Did you know that the first Matrix… was designed to be a perfect human world where none suffered… where everyone would be happy. It was a disaster. No one would accept the program. Entire crops were lost. Some believe that… we lacked the programming language to describe your perfect world. But I believe that, as a species… human beings define their reality through misery… and suffering. So the perfect world was a dream… that your primitive cerebrum kept trying to wake up from. Which is why the Matrix was redesigned to this. The peak… of your civilization. I say, "your civilization"… because as soon as we started thinking for you, it really became our civilization… which is, of course, what this is all about. Evolution, Morpheus. Evolution. Like the dinosaur. Look out that window. You had your time. The future is our world, Morpheus. The future is our time.

[Action: Agents Brown and Jones enter the room.]

01:29:34
AGENT JONES: There could be a problem.

[Action: Back on the Nebuchadnezzar, Neo, Trinity, and a badly injured Tank watch the Matrix code cascade on the monitors.]

01:29:36
NEO: What are they doing to him?
TANK: They're breaking into his mind. It's like hacking a computer. All it takes is time.
NEO: How much time?
TANK: Depends on the mind. But eventually, it'll crack… and his alpha patterns will change from this to this. When it does, Morpheous will tell them anything they want to know.
NEO: And what do they want?
TANK: The leader of every ship is given codes to Zion's mainframe computer. If an agent got the codes and got into Zion's mainframe… they could destroy us. We can't let that happen.
TRINITY: Zion's more important than me… or you… or even Morpheus.
NEO: Well, there has to be something that we can do.
TANK: There is. We pull the plug.
TRINITY: You're going to kill him? Kill Morpheus?
TANK: We don't have any other choice.

[Action: Inside the Matrix, the Agents discuss Cypher's failure.]

01:30:33
AGENT SMITH: Never send a human to do a machine's job.
AGENT BROWN: If the Indedian insider has failed… they'll sever the connection as soon as possible, unless…
AGENT JONES: They're dead. In either case…
AGENT SMITH: We have no choice. But continue as planned. Deploy the sentinels. Immediately.

[Action: Tank walks over to Morpheus' physical body in the broadcast chair, preparing to sever the connection and end his life to protect Zion.]

01:30:53
TANK: Morpheus, you were more than a leader to us. You were…. a father. We'll miss you always.
NEO: Stop! I don't believe this is happening.
TRINITY: Neo, this has to be done.
NEO: Does it? I don't know. I….. This can't be just coincidence. It can't be…..
TRINITY: What are you talking about?
NEO: The Oracle. She told me this would happen. She told me that I would have to make a choice.
TRINITY: What choice?

[Action: Neo walks over to one of the broadcast chairs and prepares to jack back in.]

01:31:31
TRINITY: What….what are you doing?
NEO: I'm going in.
TRINITY: No, you're not.
NEO: I have to.
TRINITY: Neo, Morpheus sacrificed himself so that we could get you out. There is no way that you're going back in.
NEO: Morpheus did what he did because he believed that I'm something and I'm not.
TRINITY: What?
NEO: I'm not the One, Trinity. The Oracle hit me with that too.
TRINITY: No, you have to be.
NEO: I'm sorry, I'm not. I'm just another guy.
TRINITY: No, Neo, that's not true. It can't be true.
NEO: Why?
TANK: Neo. This is loco. They've got Morpheus in a military-controlled building. Even if you somehow got inside, those are agents holding him. Three of them. I want Morpheus back too, but what you're talking about is suicide.
NEO: I know that's what it looks like, but it's not. I can't explain to you why it's not. Morpheus believed something, and he was ready to give his life for it. What he believed…I understand that now. That's why I have to go.
TANK: Why?
NEO: Because I believe in something.
TRINITY: What?
NEO: I believe I can bring him back.

[Action: Neo finishes strapping himself into the chair. Trinity walks up to him.]

01:32:54
NEO: What are you doing?
TRINITY: Going with you.
NEO: No, you're not.
TRINITY: "No"? Let me tell you what I believe. I believe Morpheus means more to me than he does to you. I believe if you are really serious about saving him, you are going to need my help. And since I am the ranking officer on this ship…… …if you don't like it, I believe you can go to hell. Because you aren't going

anywhere else. Tank… …load us up.

[Action: Inside the Matrix, Agent Smith removes his earpiece and sunglasses. He sits down aggressively in front of Morpheus.]

01:33:29
AGENT SMITH: I'd like to share a revelation that I've had… during my time here. It came to me when I tried to classify your species… and I realized… that you're not actually mammals. Every mammal on this planet… instinctively develops a natural equilibrium with the surrounding environment. But you humans do not. You move to an area and you multiply… and multiply until every natural resource is consumed. The only way you can survive… is to spread to another area. There is another organism on this planet… that follows the same pattern. Do you know what it is? A virus. Human beings are a disease. A cancer of this planet. You are a plague. And we are the cure.

[Action: Neo and Trinity materialize in the bright white void of the Construct.]

01:34:36
TANK (V.O.): Okay, so what do you need? Besides a miracle.
NEO: Guns. Lots of guns.

The Lobby Shootout and the Rescue

[Action: Neo and Trinity gather an immense stockpile of weapons inside the Construct.]

01:34:52
TRINITY: Neo. No one has ever done anything like this.
NEO: That's why it's going to work.

[Action: Inside the military building, the Agents realize Morpheus is resisting their interrogation.]

01:35:04
AGENT SMITH: Why isn't the serum working? Perhaps we're asking the wrong questions. Leave me with him. Now.

[Action: Agents Brown and Jones exit, leaving Smith alone with a delirious Morpheus.]

01:35:26
AGENT SMITH: Hold on, Morpheus. They're coming for you. They're coming. Can you hear me, Morpheus? I'm going to be honest… with you. I… hate… this place… this zoo… this prison… this reality, whatever you want to call it. I can't stand it any longer. It's the smell. If there is such a thing. I feel saturated by it. I can taste… your stink. And every time I do, I fear that I have somehow been infected by it. It's repulsive. Isn't it? I must get out of here. I must get free. And in this mind is the key. My key. Once Zion is destroyed, there is no need for me to be here. Do you understand? I need the codes. I have to get inside Zion… and you have to tell me how. You're going to tell me… or you're going to die.

[Action: Neo enters the lobby of the military building wearing a long trench coat. A security guard stops him at the metal detectors.]

01:37:08
SECURITY GUARD: Will you please remove any metallic items you're carrying. Keys, loose change.

[Action: Neo opens his coat, revealing dozens of heavy firearms. He immediately shoots the guard.]

01:37:15
SECURITY GUARD: Holy shit! Backup. Send backup.

[Action: Heavily armed SWAT cops flood into the marble lobby.]

01:37:53
SWAT COPS: Freeze!

[Action: A massive, gravity-defying gunfight erupts. Neo and Trinity systematically annihilate the SWAT team and destroy the lobby. They plant a bomb in the elevator and ride the cable up to the roof. Agents Brown and Jones arrive in the ruined lobby just before the bomb detonates.]

01:40:04
AGENT SMITH: What were you doing? He doesn't know.
AGENT BROWN: Know what?
AGENT SMITH: I think they're trying to save him.

[Action: On the roof, Neo bursts out of the stairwell.]

01:40:53
NEO: There is no spoon.

[Action: Neo dodges a flurry of bullets from Agent Jones, moving at impossible speeds. He is grazed but survives.]

01:41:23
SWAT PILOT: Find them and destroy them! I repeat. We're under attack!

[Action: Trinity holds a gun point-blank to Agent Jones's head as he attempts to execute Neo.]

01:41:59
NEO: Trinity.
TRINITY: Help!
AGENT JONES: Only human.
TRINITY: Dodge this.

[Action: Trinity pulls the trigger, killing the host body. The Agent immediately vanishes. Neo stares in shock.]

01:42:39
TRINITY: How did you do that?
NEO: Do what?
TRINITY: You moved like they do. I've never seen anyone move that fast.
NEO: It wasn't fast enough. Can you fly that thing?
TRINITY: Not yet. Operator.
TANK (V.O.): Tank. I need a pilot program for a B-212 helicopter. Hurry. *[Note: Trinity requests the program from Tank]*

[Action: Trinity downloads the helicopter manual directly into her brain in seconds. They hijack the chopper.]

01:43:09
TRINITY: Let's go.

[Action: Neo fires a minigun out the side of the helicopter, tearing through the room where Morpheus is being held. Morpheus breaks his chains and charges the window.]

01:43:25
MORPHEUS: No.

[Action: Agent Smith fires through the wall, hitting Morpheus in the leg. Morpheus leaps out the skyscraper window just as Neo dives from the helicopter on a tether to catch him.]

01:44:16
NEO: Morpheus, get up. Get up, get up.
AGENT SMITH: He's not going to make it.
NEO: Got you.

[Action: Neo catches Morpheus in mid-air. Trinity bails out of the crashing helicopter, swinging into the side of the building on Neo's safety line.]

The Subway Showdown and Ascension

[Action: Neo, Trinity, and Morpheus safely land on an adjacent rooftop. Back on the ship, Tank celebrates.]

01:46:51
TANK: I knew it. He's the One.
MORPHEUS: Do you believe it now, Trinity?
NEO: The Oracle. She told me…
MORPHEUS: She told you… Exactly what you needed to hear. That's all. Neo. Sooner or later you are going to realize, just as I did… there's a difference between knowing the path… and walking the path.

[Action: They need an exit.]

01:47:36
TRINITY: Operator. Tank.
TANK (V.O.): Goddamn. It's good to hear your voice, sir.
MORPHEUS: We need an exit.
TANK (V.O.): Got one ready. Subway station, State and Balboa.

[Action: Inside the Matrix, the Agents pinpoint their location.]

01:47:55
AGENT SMITH: Damn it! The trace was completed. We have their position.
AGENT BROWN: Sentinels are standing by.
AGENT SMITH: Order the strike.

[Action: The crew races into the subway station towards a ringing payphone.]

01:48:11
TANK (V.O.): They're not out yet.
TRINITY: You first, Morpheus.

[Action: Morpheus answers the phone and exits the Matrix. Trinity turns to Neo before she leaves.]

01:48:45
TRINITY: Neo, I want to tell you something… but I'm afraid of what it could mean if I do. Everything the Oracle told me has come true. Everything but this.
NEO: But what?

[Action: Suddenly, Agent Smith appears in the subway terminal and shoots the phone receiver out of Trinity's hand. She barely escapes down the hardline.]

01:49:33
TRINITY: What the hell just happened?
TANK: An agent.
TRINITY: You have to send me back.
TANK: I can't.

[Action: Neo is trapped in the subway with Agent Smith.]

01:49:38
AGENT SMITH: Mr. Anderson.
TRINITY: Run, Neo. Run.

[Action: Instead of running, Neo turns to face Smith. They draw their weapons and empty their clips at each other in mid-air, missing every shot.]

01:49:49
TRINITY: What is he doing?
MORPHEUS: He's beginning to believe.
AGENT SMITH: You're empty.
NEO: So are you.

[Action: A brutal hand-to-hand fight ensues. Smith eventually overpowers Neo, dragging him onto the tracks as a train approaches.]

01:50:52
AGENT SMITH: I'm going to enjoy watching you die… Mr. Anderson.
TRINITY: Jesus, he's killing him.
AGENT SMITH: You hear that, Mr. Anderson? That is the sound of inevitability. It is the sound of your death. Goodbye, Mr. Anderson.
NEO: My name… is Neo.

[Action: Neo backflips, launching Smith up into the ceiling just as the train flies past. Neo leaps off the tracks and escapes. Back on the ship, the crew loses his vital signs on the monitors.]

01:53:51
TANK: What happened?
TRINITY: I don't know. I lost him.
NEO: Oh, shit.

[Action: Sentinels breach the hull of the hovercraft in the real world.]

01:54:08
TRINITY: Sentinels. How long?
TANK: Five, maybe six minutes.
TRINITY: Tank, charge the EMP.
TANK: We can't use that until he's out.
TRINITY: I know.
MORPHEUS: Trinity. Don't worry. He's gonna make it.

[Action: Neo runs through the crowded city streets, pursued by Agents. He steals a phone from an old man to call Tank for directions.]

01:54:22
OLD MAN: Flat or pumps? No, just… What the shit? That's my phone! That guy took my phone!
TANK (V.O.): Got him! He's on the run.
NEO: Mr. Wizard… get me the hell out of here!
TANK (V.O.): I got the patch and old exit. Wabash and Lake.
NEO: Oh, shit! huhhhhhh! Help! Need a little help!
TANK (V.O.): The door. The door on your left. No. Your other left! The back door.

[Action: Neo kicks through apartment doors, dodging bullets as the Agents relentlessly pursue him.]

01:55:54
NEO: Oh, no. Here they come.
MORPHEUS: He's going to make it.
TANK (V.O.): The fire escape at the end of the alley, room 303.

[Action: Real-world Sentinels begin tearing the hovercraft apart with their lasers.]

01:57:14
TANK: They're inside.
TRINITY: Hurry, Neo.

[Action: Neo bursts into Room 303—the same room from the beginning of the film. Agent Smith is waiting right inside the door and shoots Neo point-blank in the chest repeatedly. Neo collapses to the floor, dead. On the hovercraft, his vitals flatline.]

01:58:12
TRINITY: It can't be.
AGENT SMITH: Check him. He's gone. Goodbye, Mr. Anderson.

[Action: Trinity leans over Neo's physical body in the real world as the Sentinels cut through the deck above them.]

01:58:45
TRINITY: I'm not afraid anymore. The Oracle told me… that I'd fall in love with that the man. The man that I love would be the One. So you see… you can't be dead. You can't be… because I love you. You hear me? I love you.

[Action: Trinity kisses Neo's physical lips. In the Matrix, Neo's digital body gasps back to life. He stands up.]

01:59:45
TRINITY: Now, get up.
AGENT SMITH: No.

[Action: The Agents open fire, but Neo casually raises his hand. The bullets stop in mid-air and fall harmlessly to the ground. He sees the Matrix for what it truly is—cascading lines of green code.]

02:00:15
AGENT SMITH: How?
MORPHEUS: He is the One.

[Action: Neo easily deflects Smith's attacks, dives into Smith's body, and shatters the Agent from the inside out. The other Agents flee in terror. Neo rushes to the ringing phone and escapes the Matrix just as Morpheus triggers the EMP, disabling the attacking Sentinels in the real world. Sometime later, in the Matrix, Neo uses a payphone to leave a message for the machines.]

02:02:36
NEO (V.O.): I know you're out there. I can feel you now. I know that you're afraid. You're afraid of us. You're afraid of change. I don't know the future. I didn't come here to tell you how this is going to end. I came here to tell you how it's going to begin. I am going to hang up this phone. And then I am going to show these people what you don't want them to see. I'm going to show them a world… without you. A world without rules and controls, without borders or boundaries. A world where anything is possible. Where we go from there… is a choice I leave to you.

[Action: Neo hangs up the phone, puts on his sunglasses, looks up at the sky, and flies away.]
